Hardcastle steps toward the ropes.

"He only needs one thing."

He pauses.

"Opportunity."

The lights shift -- cold blue.

A low, ominous hum fills the arena.

? TBD -- ENTRANCE

Music: A slow, surgical, minimalist beat -- almost a heartbeat.

CAMERA 2 catches TBD -- Thaddeus Bartholomew Devereaux -- stepping through the curtain with the calm of a man walking into a boardroom, not a fight.

No expression.

No emotion.

No wasted movement.

He walks down the ramp like he's measuring it.

Friday Night FURY: Episode 1

Fans boo.

Others fall silent.

Some just stare.

Roxy Reed:

"TBD is ice. Pure ice. No tells. No fear."

Hector Rodriguez:

"He scares me and I don't even know WHY!"

Tess Taylor:

"He's unreadable. That's what makes him dangerous."

TBD steps into the ring and stands beside Hardcastle -- but not with him.

He doesn't look at him.

He doesn't look at the crowd.

He looks at the entrance ramp.

Waiting.

Hardcastle turns toward the stage.

? LIGER LLAMA -- ENTRANCE

Music: High-energy rock with tribal drums.

The crowd erupts as Liger Llama, the SWF World Champion, bursts through the curtain -- full energy, full spirit, title raised high.

He slaps hands with fans, sprints to the ring, and leaps onto the apron in one fluid motion.

He climbs the turnbuckle, raises the title again, and the crowd chants:

Crowd:

Friday Night FURY: Episode 1

"LLA-MA! LLA-MA! LLA-MA!"

Liger jumps down, locking eyes with TBD.

TBD doesn't blink.

"No excuses."

Roars louder.

"No animals."

Crowd laughs.

Hardcastle turns to the timekeeper.

"Ring the bell."

He drops the mic and exits the ring without another word.

Deliberate.

Calculated.

He walks past them.

Up the ramp.

Never looking back.

Roxy:

"He didn't help Liger... but he didn't join APEX either."

Tess:

"Door No. 3. Strategic neutrality."

APEX stands tall over the broken champion.

Sphinx roars.

Titan flexes.

Prime pounds his chest.

The camera zooms in on Liger's mask -- cracked, bent, symbolic.

FADE TO BLACK.

Friday Night FURY: Episode 1

[LIVE -- PENSACOLA CIVIC CENTER]

CAMERA 1 returns from black.

The ring is a battlefield.

Liger Llama lies motionless, mask cracked, chest heaving.

APEX stands over him like a conquering army:

- Rex Titan flexing, snarling

- Colossus Prime looming like a monolith

The crowd is BOOING so loudly the mics distort.

Trash is thrown.

Security tries to stop it.

Fails.

? APEX DOMINATES THE RING

Sphinx grabs the SWF World Championship from the timekeeper's table.

He holds it up over Liger's broken body.

APEX steps forward.

Security backs out immediately.

The crowd groans.
