Tess Taylor

"Every time this man walks out, I feel like OSHA should be notified."

Hector

"OSHA? Tess, FEMA should be on standby. You know what... OSHA FEMA would be a great name for a pro wrestler. Someone get on that!"

Hector

So much for the Goldberg win streak! Thor Van Hammer lost in just his second match in the Superstar Wrestling Federation. Loki Van Dam was right! I AM IN SHOCK!

Tess: What does this mean for the future of Odin's Favored Son? Apparently he's not nearly as favored as we originally thought?

(Full backstage promo leading into their match with the Agents of Order)

[CAMERA CUT -- BACKSTAGE AREA]

The screen flickers to life in the backstage interview zone. The lighting is warm, chaotic, almost flickering like

fire. A Fuego Family banner hangs crookedly behind them -- clearly intentional.

Standing front and center is Armando Fuego, Rising Star Champion over his shoulder, shirt half-buttoned, sunglasses on indoors because of course.

Beside him: Diego Fuego, bouncing on his heels like a lit fuse.

And behind them: Mama Fuego, arms crossed, chancla in hand, ready to commit violence.

Crowd reacts loudly in the arena.

INTERVIEWER: LEXI LANE

"Ladies and gentlemen, I'm here with the Fuego Family, who are moments away from facing the Agents of Order--"

Armando Fuego

"Lexi, Lexi, Lexi... mi querida. You don't face the Fuego Family. You survive us."

Diego cackles.

ARMANDO FUEGO (CONT'D)

"Tonight, the Agents of Order want to bring rules... structure... discipline..."

He taps his temple.

"But FURY is not a place for order. FURY is a place for CHAOS. And chaos... is our native language."

DIEGO FUEGO

"Agents of Order? More like Agents of BOREDOM! They walk around like hall monitors! 'No running! No shouting! No fun!'"

He sticks his tongue out at the camera.

MAMA FUEGO

She steps forward. The crowd pops.

"You know what I see? Two men who need a good, old-fashioned Fuego Family correction."

Friday Night FURY: Episode 3

She raises the chancla.

Crowd: "OOOOHHHH!"

ARMANDO FUEGO

"And after we finish with them... after we show them what REAL heat feels like... I go out there later tonight and remind Crossfit Carter why I am the Rising Star Champion."

He pats the title.

"Because mi fuego... NUNCA MUERE."

Crowd in the arena chants along: "NUN-CA MU-E-RE!"

DIEGO FUEGO

"And Agents of Order? Tonight... you get burned."

He blows a kiss at the camera -- which transitions into a burst of flame graphics.

CUT BACK TO RINGSIDE

The Agents enter the ring with military precision, standing at attention.

CROSSFIT CARTER VS ARMANDO FUEGO

BACKSTAGE: CROSSFIT CARTER IS LOCKED IN

(Full backstage promo leading directly into the Rising Star Championship match)

[CAMERA CUT -- TRAINING AREA BACKSTAGE]

We open on a dimly lit corner of the backstage gym.

A heavy battle rope slams against the floor.

Again.

Again.

Again.

The camera pans up to reveal Crossfit Carter, sweat dripping, muscles pumped, laser-focused. He's in full warm-up mode -- box jumps, rope slams, resistance bands -- the whole Crossfit ritual.

Crowd in the arena pops when they see him.

Standing beside him is backstage interviewer Lexi Lane, trying to keep up with his constant movement.

LEXI LANE

"Carter, in just moments you challenge Armando Fuego for the Rising Star Championship. What's your mindset heading into this match?"

CROSSFIT CARTER

He stops the ropes.

Stares straight into the camera.

Breathing steady. Controlled. Dangerous.

"My mindset? Simple."

He taps his chest.

"Discipline."

Friday Night FURY: Episode 3

Consistency.

Work."

He points toward the ring.

"Armando Fuego is chaos. He's unpredictable. He's wild. He's loud. And that's fine. That's who he is."

He cracks his neck.

"But chaos burns out.

Discipline doesn't."

Crowd reacts with a low rumble.

CARTER (CONT'D)

"Armando wants to talk about fire?

I've trained in heat that would melt him."

He lifts a kettlebell with one hand like it's nothing.

"I've pushed past limits he's never even seen.

I've broken PRs he wouldn't dare attempt.

And tonight... I break him."

He drops the kettlebell with a heavy THUD

LEXI LANE

"And if you win the Rising Star Championship--"

CARTER

He cuts her off with a raised hand.

"When I win the Rising Star Championship... it won't be because of luck. Or chaos. Or family interference. It'll be because I earned it."

Friday Night FURY: Episode 3

He steps closer to the camera.

"Armando...

Your fuego?"

He smirks.

"It's about to get extinguished."

He walks off toward gorilla position, rolling his shoulders, ready for war.

CUT BACK TO RINGSIDE

Roxy Reed

"Crossfit Carter looks absolutely dialed in."

Hector Rodriguez

"He looks like he's about to fight the sun."

"And it's NEXT -- the Rising Star Championship is on the line!"

Crowd cheers loudly.

Friday Night FURY: Episode 3

He shadowboxes down the ramp, hops onto the apron in one leap, and vaults over the ropes with a gymnast's precision.

Crowd gives a strong mixed reaction -- respect for the work ethic, but Fuego Family fans are LOUD.

Roxy Reed

"Carter looks like he's been awake since 4 AM training."

Hector Rodriguez

"He probably has. He probably ran here from Ohio."

3!?!?

NO!

Adam Glory is looking at the referee wondering how it's humanly possible Shawn FX kicked out.

Hector: Adam Glory locking in the GLORY LOCK! Shawn has nowhere to go!

Tess

He has it locked in tight! Shawn is fading!

Roxy

Oh God Shawn's face is changing color! Ring the bell! Damn it!

DING DING DING

Hector

He didn't tap but Shawn FX has been rendered unconscious! Adam Glory isn't letting go of the hold!

Marshal Dalton Hardcastle runs in.

That's Victor Steele? Victor Steele is trying to pry Adam Glory off of Shawn FX.

Roxy

Woh! That looked like a legitimate punch from Victor Steele? What's going on here?

Hector

Now Victor Steele and Adam Glory are going at it. This... this isn't in the script? Is this?

Tess

Tempers are flaring! The ring is filled with security and half the production team from the back.

Hector: Aren't we supposed to have a contract signing?

[CAMERA CUT -- RINGSIDE]

The ring is set with a black-draped table, two chairs, and the CONVERGENCE logo glowing on the tron.

Security surrounds the ring -- twice as many as usual.

Roxy Reed

"Ladies and gentlemen... this is how we close the show. The contract signing for the biggest match in SWF history."

Hector Rodriguez

"Title vs. Title. Brand vs. Brand. Destiny vs. Glory."

Tess Taylor

"And both champions are in the building."

Crowd buzzes with anticipation.

ENTRANCE: ADAM GLORY

Gold light floods the stage.

A triumphant orchestral swell hits.

The crowd erupts -- mixed but LOUD.

Jessica Dawn

"Please welcome... the SWF WORLD CHAMPION... ADAM... GLOOOORY!"

Adam Glory steps onto the stage, World Championship over his shoulder, chin high, smirk locked in.

Friday Night FURY: Episode 3

He walks slowly, savoring the moment, soaking in the spotlight.

He enters the ring, pulls the chair out, and sits -- feet up on the table.

Crowd boos.

Hector

"Glory looks like he already signed this contract in his head."

ENTRANCE: LIGER LLAMA

The lights cut.

A single golden spotlight hits the stage.

A deep, resonant chant echoes:

"LLA-MA... LLA-MA... LLA-MA..."

Then--BOOM--Andean drums hit.

The Spirit of the Andes Championship glows in the light.

Jessica Dawn

"And his opponent... the SPIRIT OF THE ANDES CHAMPION... LIIIIIGER... LLAAAAAAMA!"

Liger Llama steps onto the stage, slow, deliberate, mythical.

He raises the Spirit of the Andes Championship to the heavens.

The crowd erupts in a standing ovation.

Roxy

"Every time Liger Llama walks out, it feels like a prophecy unfolding."

Llama enters the ring.

He does not sit.

He stands behind his chair, staring at Glory.

Friday Night FURY: Episode 3

Glory smirks.

THE CONTRACT SIGNING BEGINS

Marshal Dalton Hardcastle steps into the ring, mic in hand.

HARDCASTLE

"Gentlemen... this contract makes it official. At CONVERGENCE... the SWF World Championship and the Spirit of the Andes Championship will be on the line. One man leaves with BOTH titles. One man becomes the Undisputed Champion of the SWF Multiverse."

Crowd roars.

ADAM GLORY SPEAKS FIRST

Glory stands, grabs the mic.

ADAM GLORY

"Let's skip the poetry. Let's skip the mysticism. Let's skip the destiny talk."

He taps the World Title.

"This is the only destiny that matters. And at CONVERGENCE, I'm walking out with your title too."

He signs the contract with a flourish.

Crowd boos loudly.

GLORY (CONT'D)

"You're a legend, Llama. A myth. A story parents tell their kids."

He leans in.

"But I'm reality. And reality always wins."

He sits back down, smirking.

LIGER LLAMA RESPONDS

Llama slowly lifts the mic.

Friday Night FURY: Episode 3

The crowd quiets instantly.

LIGER LLAMA

"Adam Glory... you speak of reality."

He steps closer.

"But reality is not a crown you wear. Reality is not a spotlight you stand in. Reality is not a title you hold."

He places a hand on the contract.

"Reality... is the path you walk. And your path ends at CONVERGENCE."

Crowd erupts.

LLAMA (CONT'D)

"You believe you carry this brand.

I carry the world."

He signs the contract -- slow, deliberate, ceremonial.

THE STAREDOWN

Both men step toward the center of the ring.

Two champions.

Two worlds.

Two destinies.

The crowd is electric.

Roxy

"This is HISTORY."

Hector

"This is VOLTAGE."
